In all cases where a lease is granted to non-natives or companies or associations not containing a significant amount of the indigenous equity, the lease may contain a clause requiring the lessee to achieve a specific level of indigenous equity within a time specified and/or to provide a certain level of management training and/or technical training of indigenous persons. The level of equity that may be required will depend upon a number of factors including the type of business, the amount of capital required, whether foreign investment is involved, etc.

**General.**—All applications and tenders will come before the Land Board at a time and date which will be notified to all interested parties. It is advisable to appear in person or to have representation before the Land Board.

Applicants and Tenderers will be required to produce to the Land Board acceptable evidence as to possession of suitable experience and/or financial resources, as the case may be, for the development of the land. Tenderers and applicants are advised to inspect the land before applying or tendering.
