LAND AVAILABLE FOR LEASING

TENDERS and/or applications, as applicable, are invited for the right to a lease or leases over the land or lands as described in the following advertisements on the term and conditions as set out and subject to the provisions of the Land Act (Chapter 185).

The attention of Tenderers and Applicants is directed towards the following:—

**Tenders.**—The upset price where shown below is the assessed unimproved value of the land, and it is the minimum amount accepted as a tender. Tenders may be for any amount in excess of the upset price, but the successful tenderer will only be required to pay the difference between the upset price and the amount of tender.

Example—

	K
UPSET PRICE .....	2 000
VALUE OF ALLOTMENT TO TENDERER .....	800
AMOUNT TO BE STATED IN TENDER .....	2 800

If successful, K800 would have to be paid in this case. The highest or any tender will not necessarily be accepted.

**Fees:** All tenders and applications must be accompanied by an application fee which is as follows:

	K
Advertised and unadvertised urban land .....	10.00
Unadvertised rural land .....	10.00
Advertised rural land including Agricultural Settlement Schemes .....	5.00

If applying for blocks advertised under separate advertisement numbers, there must be a separate application or tender form and separate fees must be paid and, further, applicants or tenderers seeking more than one block from land offered in one advertisement must pay a separate fee for each allotment or portion required. Following the grant of a lease, an additional fee for the preparation of a lease document Thirty Kina (K30.00), the amount of tender less the upset price where applicable and if surveyed, the prescribed survey fee shall all be payable within two (2) months from the date of grant, i.e. from the date of gazettal of the recommended lease holder in the PNG National Gazette.

**Reference.**—Tenderers and applicants are advised to indicate preferences if there are more than one allotment or portion being advertised in any particular advertisement, but only one registration of application fee need be lodged if only one allotment or portion is required. If more than one allotment or portion is required, an additional fee for each such portion or allotment must be lodged.

**Tenderers and Applicants.**—Tenderers and applicants must state full name, occupation and postal address. If more than one person is tendering or applying, it must be stated whether joint tenancy or tenancy-in-common is required. If a company the full registered name and address of the company and that of its representative must be stated. A business name cannot hold land.

**Improvements.**—Excepted development in respect of agricultural leases is indicated in the respective advertisements, however, full proposal of proposed development shall be submitted by tenderers or applicants seeking other types of leases or larger agricultural leases unless development is specified in detail in any particular advertisement. Where applicable development shall comply with the requirement of the Town Planning Act and the Building Regulations.

**Term of Lease.**—Unless otherwise indicated, each lease shall be for a term of ninety-nine (99) years.

**General conditions pertaining to Business Leases.**—Provided all other factors are equal, preference may be given to indigenous proposals, or proposals which contain a significant proportion of indigenous equity. In the event that a lease is recommended because of a proposal to include a significant portion of indigenous equity, the lease shall contain a clause requiring specific performance of the proposal within a time specified.

**General.**—All applications and tenders will come before the Land Board at a time and date which will be notified to all interested parties. It is advisable to appear in person or to have representation before the Land Board.
