## Notes:—

- (a) Charges based on meter readings under items 1 and 2 have been set on per connection basis.
- (b) In the case of multiple residential buildings, such as flats, dormitories, duplexes, etc., the user may apply to be charged on the basis of the Non-Commercial tariff (1.2) above.
- (c) If a connection serves a mixed occupancy property, the higher tariff scale shall apply.
- (d) All charges under items 3 and 4 must be paid in advance unless special arrangements are made with the District Manager. All charges under items 1 and 2 must be paid within 30 days after the date of delivery of an account. Failure to pay accounts within the stipulated period will lead to service being discontinued and recovery action being taken. The user of the service and/or the owner of the property is responsible for paying bills or for ensuring that they are paid.
- (e) The customer is responsible for the cost of connecting to the building from the property boundary.
- (f) For temporary new connections, the water charges will be the same as for commercial/Industrial customers under item 1.3.

K. AUA,  
Chairman, Waterboard.
